

hi Savant

HOST Hi Savant IN YOUR REGION

The legalization of Cannabis has enabled a climate where the benefits of Cannabis can be safely explored. Many people are canna-curious, but hesitant due to the society stigma which still remains. Hi Savant gatherings encourage canna-friends to talk, to compare experiences, to study cannabinoids and terpenes against desired effects and even undesired effects. Hi Savant offers an opportunity to bring unique strains into the forefront and educate each other learning together.

If you are knowledgeable about cannabis and interested in exploring different cannabinoids and strains with others, we want to partner with you. We can offer you a licensing agreement granting you exclusive rights to the Hi Savant name and image in your geographic region. We will set you up with a structured format so Guests feel safe and secure, and offer added marketing exposure to help you attract an enthusiastic, robust, and gregarious crowd.

Please take a few minutes to fill out this form so we can learn more about you. Once received, Team HiBnb will contact you with information, and to set up an interview.
