

hi Healing

HOST Hi Healing IN YOUR REGION

There is no contest cannabis is a healing agent yet the full capacity of it's potential is currently untapped. Some individuals have begun to explore this potential and possess a lot of knowledge. Some people have been lucky to find remedies through cannabis – making incredible strides in it's application through exploration and persistence.

If you are in a position where you've gained this privilege, and have something to offer others, you may be the perfect fit to offer Hi Healing classes and events with HiBnb.

We are vetting partners like you to represent our brand, whom we will offer a licensing agreement granting exclusive rights to the Hi Healing name. We offer additional marketing and exposure, and, well... we can't promise but we should be able to help you connect with individuals who wish to learn what you can offer, and whom you can help.

We feel it is our obligation to help spread the benevolent qualities of the magical and powerful plant. If you feel the same way, we want to talk to you.

Please take a few minutes to fill out this form so we can learn more about you. Once received, Team HiBnb will contact you with information, and to set up an interview.
