

01

Accommodation Host Onboarding

Thinking about becoming a HiBnb Accommodation Host or want to add a little more ‘umph’ to your existing listing?

We’re here to help!

This part is easy, fun and most importantly, completely up to you! Feel free to get creative.

Set up your Host Profile

Once you have added a listing, take the opportunity to get creative and introduce yourself to the Hi community. Show off your personality, interests, cannabis preferences, and anything else that makes you the ‘Hi Host with the most’!

02

Make your Accommodation Listing pop!

☺ Snappy Title

Give your listing a fun & creative title that will instantly pique Guests’ interests.

ex. Waterfront Smoke Lodge, CannaCabin-a, Intercity RastaLodge, etc.

☺ Cannabis Friendly

Focus on hospitality but highlight cannabis wherever possible.

Your audience is browsing HiBnb for a reason - use it to your advantage

☺ Set your Calendar

Our calendar is easy to use and integrated with other rental platforms.

So all you need to worry about is your next booking!

☺ Photos & Presentation

Set the stage with nice decor, good lighting, and a high resolution camera - it will pay off!

See [Photography Guidelines](#) for more.

☺ Pricing

It’s totally up to you. Yup, you read that right. See [Pricing Guidelines](#) for recommendations.

☺ Keywords & Phrases

Optimize your listing by including keywords and tagging it wherever possible.

Ex. Cannabis keywords (cannabis, marijuana, 420, etc.) and location info (hotel, BnB, city name, etc.)

☺ Promote Yourself

Use HiBnb to promote your personal brand and show the community what you’ve got!

Link your social media accounts to increase awareness of your listing and attract more bookings.

☺ Promote Products

Recommend your favorite brand or product right off the bat. Link a brand’s instagram page to your listing to receive free swag and more.

03

Set Expectations

Outline the specific cannabis experience you will provide.

Sharing homegrown flower? Throw it in there! Only allow smoking outdoors? Let us know! Your home - Your rules.

Describe your level of Guest interaction.

Will you be around to socialize and make them coffee? Will you stay completely out of their way? Whatever the case may be - let them know. The more information you provide, the better.

Want more info?

Refer to the [Host Dashboard](#). It’s your first point of reference to manage your profile, bookings, earnings, and ratings, as well as view company guidelines, FAQs, help pages, and more.
